

ISVPS General Practitioner Certificate Advanced Practitioner Route GPCert(APR)

Eligibility

RCVS registered veterinary surgeons, qualified for at least one year in practice prior to the programme start date, working in practice. Graduates from 2007 onwards must have completed PDP/GDP.

To be eligible to proceed to the assessments 100% of clinical modules and the Veterinary Professional Skills (VPS) Module must be completed

Throughout programme

- Pre and Post Modular MCQS

Mid programme

- PICO (Patient/Problem, Intervention, Comparison, Outcome); written assessment

For programmes which include practical modules:

- Practical assessment: tutor assessment and feedback on clinical skills

During programme (submitted at end)

- Case Log (CL) of 25 cases

End of programme

- Reflective Portfolio: 8 reflective accounts based on cases from the Case Log

End of programme

- Online Applied Knowledge Examination (OAKE) (approx 30 questions, 90 minutes)

Following completion and passing all above assessments

- Case Based Scenario (CBS) (synoptic assessment) (3 cases, 180 minutes)
